MAXIMIZE YOUR SPACE.

SPACE SAVINGS YOU SEE INSTANTLY

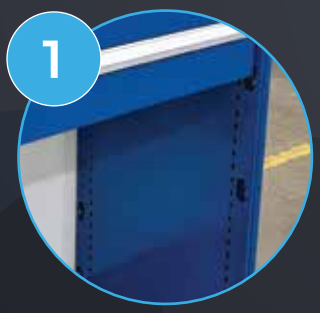

24
SHELVING UNITS

8
HD DRAWER UNITS

FLOOR SPACE REGAINED

EASY TO ASSEMBLE.

THREE SIMPLE STEPS.

ATTACH THE BRACKETS
Attach the mounting brackets to the uprights.

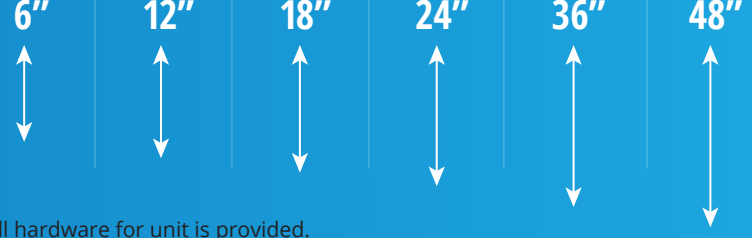

INSTALL THE SLIDES
Attach the drawer slides to the mounting brackets.

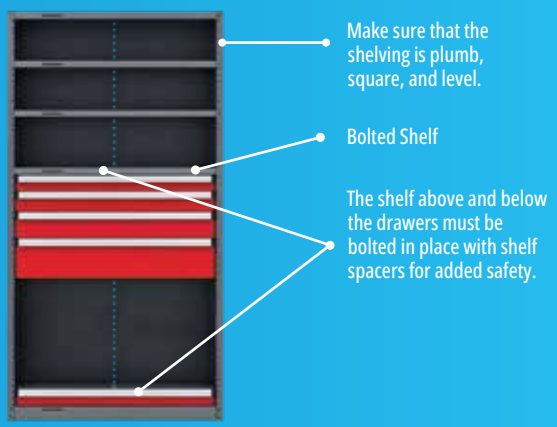

ADD THE DRAWERS
Insert drawers into the shelves.

SIX MOUNTING HEIGHTS

The minimum space required for drawers depends on the height of the mounting brackets.

All hardware for unit is provided.

BUILDING A HIGH-DENSITY DRAWERS IN SHELVING SYSTEM

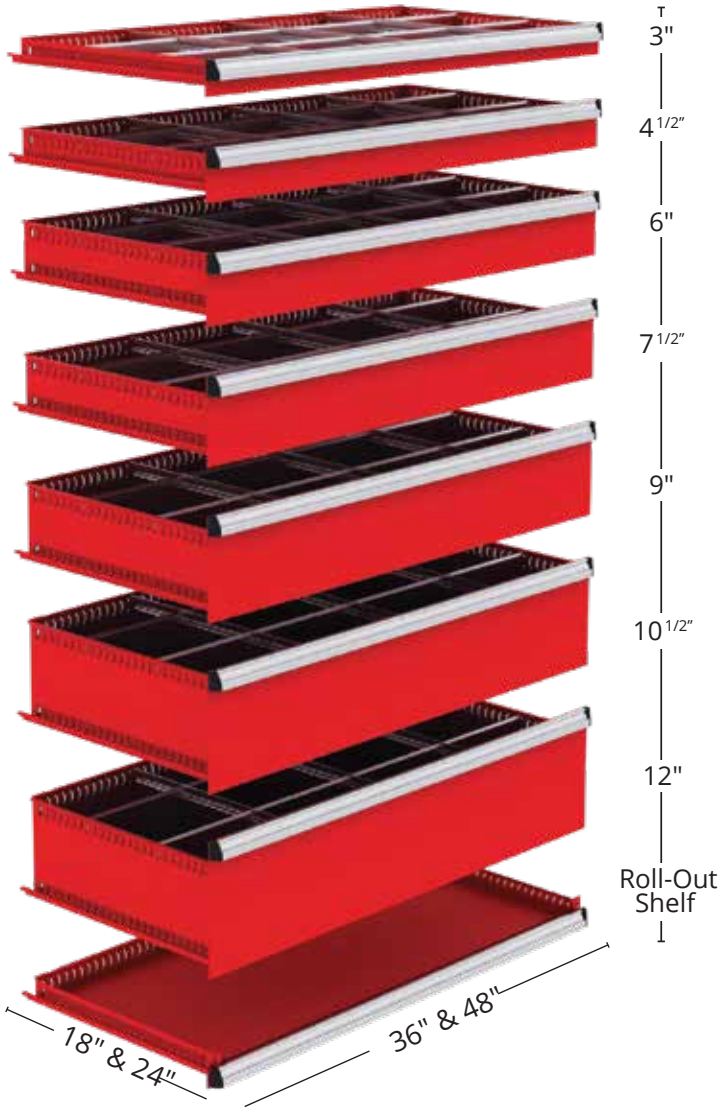

1. What will you store in the drawers and on the shelves in order to get the most efficient use of your storage system?
2. What is the size of my space, where I will be installing the HD Drawer system? A critical decision that affects the width and depth of your drawer and shelf system.
3. If I need multiple drawer systems, how many drawers do I need in each unit?
4. Finally, based on what I am storing, can I utilize a "Preconfigured" set of drawers or do I need to customize my interiors?

SMALL PARTS STORAGE

MAXIMIZE EVERY INCH OF STORAGE

Borroughs High-Density Drawers combine the convenience of drawers with the versatility of Box Edge Plus® shelving. Designed for easy installation in new or existing systems, they maximize storage space while keeping inventory organized and accessible.

28 DRAWER SIZES

Drawers have 7 different heights: **3", 4 1/2", 6", 7 1/2", 9", 10 1/2", 12"** and **Roll-Out Shelf**. Drawers can be arranged and rearranged to keep your storage system efficient as your operation grows and changes. They can be installed in any combination as long as the total height of the drawer fronts does not exceed the height of the mounting upright panels.

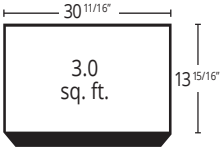

FEATURES

- Drawers fully extend to view and access entire contents.
- Roller bearing suspension for smooth operation.
- Each drawer will support up to 400 pounds of an evenly distributed load.
- Partitions and dividers can be added for custom configuration.
- All hardware and easy-to follow instructions are provided for fast installation.
- Drawer dividers and partitions are made of galvanized steel & factory-installed.

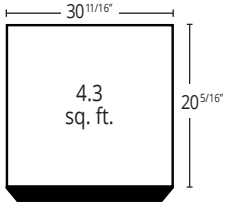

Drawer Sizes	Drawer Front	Usable Height
3″	2 15/16″	2 1/16″
4 1/2″	4 7/16″	3 9/16″
6″	5 15/16″	5 1/16″
7 1/2″	7 7/16″	6 9/16″
9″	8 15/16″	8 11/16″
10 1/2″	10 7/16″	9 9/16″
12″	11 15/16″	11 11/16″

OPTION	DESCRIPTION
E	Empty drawers
L	Predetermined Interiors (Dividers & Partitions Factory-installed)

PANEL HEIGHTS

Available in six heights: 6", 12", 18", 24", 36" and 48".

INTEGRATED HANDLE

Full-width aluminum handle features an integrated label holder and sits flush with shelving.

110% EXTENSION

Full-extension slides provide complete drawer access, with Soft-Close available for smooth, controlled closing.

400 LB. CAPACITY

Roller-bearing slides are rated for 400 lb. per drawer, built for heavy-duty use.

COMPONENTS & ACCESSORIES

PRECONFIGURED DRAWERS

Borroughs offers a wide selection of standard preconfigured drawer interiors designed for small parts storage. For convenience, these drawers and interiors can be ordered as a complete assembly using a single part number.

Each assembly includes the drawer, slides, handle/label holder, factory-installed partitions, and essential dividers packaged together.

This simplifies ordering, reduces installation time, and makes organizing small parts easier than ever.

PARTITION

Galvanized, slotted steel partitions create large storage spaces within drawers. Partitions slide into slots along the drawer walls and span the full depth of the drawer, allowing dividers to be added for further organization and compartmentalization.

DIVIDERS

Galvanized steel dividers subdivide the storage spaces between partitions or between partitions and drawer walls. Dividers simply drop into slots in the partitions and drawer walls, making storage space adjustments quick and easy.

Slots in partitions and drawer walls are spaced on 20 mm (3/4" nominal) centers. Divider widths are measured by the number of drawer wall slots they span.

Dividers are available in heights to match the partitions and in 17 widths (refer to page 14). The 36" wide drawer has 39 slots, while the 48" wide drawer has 54 slots.

DIS/MDC LABEL HOLDERS SNAP ON
